DIRECTORS HONORARIUMS

That the members approve an honorarium of \$2000 each for the Executive Directors which include the President, Vice President and Treasurer. Further, that the members approve an honorarium of \$1000 each for the remaining four (4) directors.

FIRST ORDINARY RESOLUTION

“That pursuant to the Registered Clubs Act:

- (a) The members hereby approve and agree to reasonable expenditure by the Club for the following activities of the Directors:
 - (i) The reasonable cost of a meal and beverage for each director immediately before or after a Board or Committee meeting on the day of that meeting when that meeting corresponds with a normal meal time;
 - (ii) Reasonable expenses incurred by directors in relation to such other activities including entertainment of special guests of the Club;

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

- (iii) Reasonable expenses involved in attending intra-club activities at the Club or the community and other promotional activities performed by directors and supported by the Board;
 - (iv) Reasonable costs of Directors attending functions and activities at the Club which are deemed by the Board to be of benefit to the Club;
 - (v) Reasonable costs of Directors and their spouses in attending functions as required by the Board and the above expenses are to be approved by the Board before payment is made on the production of receipts;
- (b) The members acknowledge that the benefits referred to above are not available to members generally but only those who are Directors of the Club and those members directly involved in the above activities”.

SECOND ORDINARY RESOLUTION

“That pursuant to the Registered Clubs Act:

- (a) The members hereby approve and agree to reasonable expenditure by the Club for the professional development and education of Directors such as:
 - (i) The reasonable cost of Directors attending the Clubs NSW General Meeting;
 - (ii) The reasonable cost of Directors attending seminars, lectures, trade displays and similar organized events as may be determined by the Board from time to time;
 - (iii) The reasonable cost of Directors attending other clubs or similar types of business for the purpose of observing their facilities and methods of operation;
- (b) The members acknowledge that the benefits referred to above are not available to members generally but only to those who are Directors of the Club and those members directly involved in the above activities”

THIRD ORDINARY RESOLUTION

“That pursuant to the Registered Club’s Act the members hereby approve and agree to permit members who are directors of the Club to utilise dedicated parking spaces. The members agree that this benefit is not open to members who are not Directors of the Club”

NOTES TO MEMBERS

First Ordinary Resolution

The First Ordinary Resolution is to have the members in General Meeting approve reasonable expenditure by the Club in relation to duties performed by the Club’s Directors.

Second Ordinary Resolution

The Second Ordinary Resolution is to have the members in General Meeting approve reasonable expenditure by the Club for Directors to attend seminars, lectures, trade displays and other similar events including Clubs NSW Annual General Meeting and to visit other clubs to enable the Board to keep abreast of current trends and developments which may have a significant bearing on the nature and way in which the Club conducts its business.

Third Ordinary Resolution

The Third Ordinary Resolution is to have members approve preferential car spaces for Directors.

General

Each of the resolutions must be passed as a whole and cannot be amended from motions from the floor of the meeting or divided into two or more parts.

President's Report

On behalf of the Board of Directors, I submit for your consideration and adoption the Annual Report for the year ended 30 June 2019.

I am pleased to report a profit of \$96,766 for the 2018/19 financial year.

Thank you to my fellow Directors, our staff, and all members who have supported the Club throughout the year.

During the year we have continued to improve the facilities available for members including:

- Installation of new carpet throughout the Club
- Installation of a disabled ramp in the auditorium for access to the mezzanine and outdoor deck
- Resurfaced part of the car park
- Installed air conditioning on the mezzanine deck and upgraded the air conditioning in the Auditorium
- Implemented a new daily Happy Hour
- Continued to organize the local ANZAC Day Dawn Service at the Community Centre with support from Pacific Palms Public School, Bungwahl Public School and The Salvation Army.
- Put on free Fireworks for the community on New Years Eve
- Phased out single use plastic straws
- Hosted the inaugural All Ages Music Gig with support from local parents
- Launched the Lakeview Art Gallery in conjunction with the Pacific Palms Arts Committee

The Club has also provided support to local groups through sponsorship, donations, and the opportunity to run community raffles on Friday nights and weekends. Groups include Pacific Palms Soccer Club, Pacific Palms SLSC, Coomba Rural Fire Service, Bungwahl P&C Association, Pacific Palms Public School, Pacific Palms Netball Club, Boomerang Beach Boardriders, Wallis Spirit Dragons, Coomba Golf, Sandbar Ladies & Mens Golf, Pacific Palms Social Golf, Westpac Rescue Helicopter, Special Children's Christmas Party, NAIDOC Week, Koori Kids, and many local fundraisers.

We are also pleased to advise that the Club is once again offering over \$5000 in grant funding to local Community Groups. Submissions close in mid September, and grant funding will be allocated prior to the AGM in late October.

Thanks again for your support throughout the year, and hope to see you at your Club soon!

Diane Ellis
President

Treasurer's Report

The club has had another financially successful year with an increase in revenue of 1.59% to \$3,422,986. Expenses increased a nominal 0.5% to \$3,326,220 resulting in a net profit after tax of \$96,766. This profit again exceeds our Bank approved budget for 2018/19.

This then enabled the Club to outlay almost \$200,000 in the purchase of new plant, equipment, carpet and several Bistro items. Additionally, major renovations were completed to the Bistro bathrooms plus painting of the Club both internally and externally. The club's generator also had a complete overhaul and service during the financial year.

Further, debt was reduced by \$118,000 across poker machines and Bank.

These results have enabled the Club's Auditors to issue an unqualified Audit Opinion and the club has remained solvent.

It is interesting to note that during the past six financial years (2013/14 to 2018/19) the Club has

- an average Net Profit After Tax of \$114,080,
- reduced the Bank Better Business Loan from \$476,944 to \$7,140 (\$469,804),
- utilized cash flow to improve members' facilities to the tune of \$1,444,328 over the last 6 years,
- continued to support local Clubs and Community Groups.

Moving forward, the Board will be assessing further improvements and activities to benefit all members and visitors alike.

Ted Lawson
Treasurer

Description of Company

This report covers the single entity Pacific Palms Recreation Club Ltd a public company limited by guarantee.

Description of Objectives

The principal objective of the company is to promote sporting and social activities and citizen recreation and to aid in the civic development of the district.

Specific objectives are:

- Short-term

Our short term objective is to make the Pacific Palms Recreation Club the hub of the community by offering entertainment, sporting activities, dining and other recreation options for the benefit of members whilst being financially responsible.

- Long-term

As per our Constitution, the long term objective of the Pacific Palms Recreation Club is:

1. To promote sporting and social activities and citizen recreation and to aid in the civic development of the district.
2. To form friendly associations with other social groups.
3. To establish and maintain a Club for the benefit of its members and their friends.
4. To provide Clubhouses, lounges, refreshment rooms, recreational rooms and properly maintain same
5. To provide meals and other refreshments and to purchase and sell foodstuff and liquors both intoxicating and non-intoxicating, tobacco, cigars and cigarettes, sports equipment and other goods, wares and merchandise likely to be required by members.
6. Subject to the provision of any relevant statute and to the conditions attached to any licence issued therein, to conduct or assist or take part in the conduct of art unions dances, balls or other public or charitable balls, entertainments or functions for the purpose of raising funds and to accept donations or gifts from any source for all or any of the above purposes or for the benefit of or to carry out the objects of the Club.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

7. To diffuse and disseminate knowledge and information or otherwise further the objects of the Club by the printing, publication, issue and circulation of papers, periodicals, books, circulars, brochures and other literary or artistic matter and by advertisement of all kinds and by purchase of the exhibition of works of art or interest and by granting prizes and donations.

Strategy for Achieving Those Objectives

To achieve these objectives, the company has adopted the following strategies:

- ensure a wide variety of activities and entertainment is available to members which reflects local interest and tastes
- explore additional options to encourage more visitors to the Club, especially during the quieter months
- sponsor and support local sporting and community groups.

Principal Activities

The principal activity of the company during the year was operating as a licenced recreation club and there has been no change in that activity from the prior year.

Measures of performance

The key performance indicators that the Board of Directors use to monitor the overall performance of the Club are:

- Profit & loss statements
- Cash flow
- Wages versus Sales
- Gross Profit in Bar and Bistro
- Poker Machine Retention.

Operating Results

The result of the company was a profit of \$96,766 (2018: profit \$59,783).

Guarantee of Members

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$2.00 each towards meeting any outstanding obligations of the company. At 30 June 2019, the total amount that members of the company are liable to contribute if the company is wound up is \$6,870 (2018: \$6,072).

Auditor's Independence Declaration

The auditor's independence declaration for the year ended 30 June 2019 has been received and can be found following the directors' report.

Rounding of Amounts

Amounts in the financial statements and directors' report have been rounded to the nearest dollar and accordingly small rounding errors may occur.

Signed in accordance with a resolution of the Board of Directors.

Diane Ellis – President

Ted Lawson - Treasurer

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Financial Statements cover the single entity Pacific Palms Recreation Club Ltd a public company limited by guarantee, incorporated and domiciled in Australia.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Unless otherwise stated, Australian Accounting Standards that have recently been issued or amended but are not yet effective have not been adopted for the annual reporting period ending 30 June 2019.

The financial statements were authorised for issue on 18th September 2019 by the directors of the company.

Accounting Policies

a. Principal Activity

The company operates as a licensed recreation club.

b. Income Tax

When applicable, the charge for current income tax expense is based on the profit for the year adjusted for any non-assessable or disallowed items and is calculated using tax rates in effect at year end.

Deferred tax liabilities, when applicable, are accounted for using the Statement of Financial Position liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are only recognised in the event that it becomes probable that future tax profits will be available against which deductible temporary differences and tax losses can be utilised.

When applicable, deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. If applicable, deferred tax is credited in the Statement of Profit or Loss and Other Comprehensive Income except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

If applicable, the amount of benefits brought to account, or which may be realised in the future, is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the company will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

c. Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first in first out basis.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

d. **Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. The NSW Land and Property Management Authority valued the company's land at \$723,000 on 1/7/2014. This valuation has not been brought to account in the Statement of Financial Position but is provided for information purposes only. Land at cost in the Statement of Financial Position is \$10,000.

Carrying amounts

The carrying amount of property, plant and equipment is reviewed annually by directors to ensure there have been no impairment losses as a consequence of the carrying amounts exceeding the recoverable amount of the assets. The recoverable amount is assessed on the basis of expected net cash flows that will be received from the asset's employment and subsequent disposal. A formal assessment of recoverable amounts is made when improvement indicators are present.

Costs subsequent to the original purchase are either aggregated with the asset's original carrying amount or recognised as a separate asset, as appropriate, but only when it is probable that future economic benefits associated with the item will flow to the company. All other repairs and maintenance costs are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial period in which they are incurred.

Depreciation

All fixed assets including building and capitalised lease assets, but excluding land, are depreciated on a prime cost (or straight line) method over their useful lives to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Method	Depreciation Rate
Buildings	PC	2.50 – 10.00%
Furniture and fittings	PC	2.00 – 100.00%
Office equipment	PC	5.00 – 100.00%
Other plant and equipment	Both	6.67 – 37.50%
Bar Plant	PC	5.00 – 33.00%
Catering equipment	PC	5.00 – 33.00%
Poker Machines	PC	14.29 – 100.00%
TAB	PC	10.00%
Motor vehicles	PC	20.00%
Member amenities	PC	10.00 – 100.00%

Glossary

DV means the diminishing value method

PC means the prime cost (or straight line) method

Both means both the DV and PC methods are used in the asset class

Residual values and useful lives of assets are reviewed, and adjusted if appropriate, at each reporting date.

If an asset's carrying amount is greater than its estimated recoverable amount it is written down to the recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the Statement of Profit or Loss and Other Comprehensive Income.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

e. **Company Limited by Guarantee**

The company is limited by a guarantee of members to contribute in the event of a winding up, a sum not exceeding \$2.00 per member. At 30 June 2019 there were 3,435 (2018: 3,036) members so the total amount members of the company are liable to contribute if the company is wound up is \$6,870 compared to \$6,072 at 30 June 2018. As the company does not have share capital it cannot pay dividends.

f. **Leases**

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset are transferred to the company by the lessor, notwithstanding the fact that legal ownership remains with the lessor, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

g. **Financial Instruments**

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (ie trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the effective interest method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

(i) **Financial assets at fair value through profit or loss**

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(ii) Loans and receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

(iii) *Amortised cost investments*

Amortised cost investments are financial assets that have fixed maturities and fixed or determinable payments, and it is the company's intention to hold these investments to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

(iv) *Fair value through profit or loss investments*

Fair value through profit or loss investments are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with any re-measurements other than impairment losses and foreign exchange gains and losses recognised in other comprehensive income. When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Fair value through profit or loss financial assets are classified as non-current assets when they are expected to be sold within 12 months after the end of the reporting period. All other fair value through profit or loss financial assets are classified as current assets.

(v) *Financial liabilities*

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Impairment of financial assets

At the end of each reporting period, the company assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence that impairment as a result of one or more events (a "loss event") has occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of fair value through profit or loss financial assets, a significant or prolonged decline in the market value of the instrument is considered to constitute a loss event. Impairment losses are recognised in profit or loss immediately. Any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance accounts.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

When the terms of financial assets that would otherwise have been past due or impaired have been renegotiated, the company recognises the impairment for such financial assets by taking into account the original terms as if the terms have not been renegotiated so that the loss events that have occurred are duly considered.

De-recognition

Financial assets are derecognised when the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised when the related obligations are discharged or cancelled, or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

h. Impairment of Assets

At the end of each reporting period, the company assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

i. Intangibles

Goodwill

Goodwill is initially recorded at the amount by which the purchase price for a business exceeds the fair value attributed to its net assets at date of acquisition. Goodwill, when applicable, is included in intangible assets. Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Poker machine licences

Purchased poker machine licences are recorded at cost. They have a finite life and are carried at cost less accumulated amortisation and impairment losses. Existing poker machine licences granted at nil cost have not been brought to account.

j. Employee Benefits

Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Where annual leave is wholly expected to be settled within 12 months of reporting date it is recognised in other payables in respect of employee service up to the reporting date. It is measured at the amount expected to be paid when liabilities are settled.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Other long-term employee benefits

The company classifies employees' long service leave and annual leave entitlements as other long-term employee benefits where they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the re-measurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

k. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less (unless held for long-term investment), and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the Statement of Financial Position. Term deposits held for long-term investment are disclosed as financial assets.

l. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from investment properties is recognised on an accruals basis or straight-line basis in accordance with lease agreements.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated exclusive of the amount of goods and services tax (GST).

m. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised exclusive of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

n. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

o. Rounding of Amounts

Amounts in the Financial Statements and directors' report have been rounded off to the nearest \$1 and accordingly small rounding errors may result.

PACIFIC PALMS RECREATION CLUB LTD
ABN 47 000 910 378

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and internally.

Key Estimates — Impairment

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Key Judgments

No specific key judgements were required in the preparation of the financial report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

NOTE 18: EVENTS AFTER THE REPORTING DATE

No matter or circumstance has arisen since 30 June 2019 which has or will significantly affect

- i The operations of the company
- ii The results of those operations
- iii The state of affairs of the company in financial years subsequent to 30 June 2019.

NOTE 19: FINANCIAL RISK MANAGEMENT

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Accordingly financial instruments include both financial assets and financial liabilities.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

Financial Risk Management Policies

The company's financial instruments consist mainly of deposits with banks, accounts receivable and payable and hire purchase commitments.

Credit risk

The company does not have any material credit risk exposure to any single receivable.

Price risk

The company is not materially exposed to price risk.

Financial Instrument Composition & Maturity Analysis

The company's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on classes of financial assets and financial liabilities, is as follows:

		2019	2018
	Note	\$	\$
Financial Assets Comprise:

Financial Liabilities as Trade and Other Payables		<u>221,587</u>	<u>234,531</u>

Net Fair Values

- (i) For listed available-for-sale financial assets and financial assets at fair value through profit or loss the fair values have been based on closing quoted bid prices at the end of the reporting period.
- (ii) For other Financial Assets and Financial Liabilities there is no material difference between the carrying amount and net fair value.

	2019	2018
	\$	\$
NOTE 20: CONTINGENT LAIBILITIES		
Security deposit guarantee - TAB	5,000	5,000

NOTE 21: ECONOMIC DEPENDENCY

The company is not economically dependent on any other single entity other than government and regulatory authorities who administer and control liquor and gaming licences and the intrinsic value of poker machine entitlements. The Directors are of the opinion that any significant poker machine reforms could materially impact the operations of the company.

NOTE 22: COMPANY DETAILS

The registered office and principal place of business of the company is:

3957 The Lakes Way
Pacific Palms NSW 2428

NOTE 23: CORE PROPERTY

Core property is defined as any real property owned by the club that comprises the defined premises of the club or any facility provided by the club for the use of its members and their guests. Core properties of the club consist of the land occupied by the clubhouse and car park at 3957 The Lakes Way, Pacific Palms NSW 2428. Non-core property of the club means any real property owned by the club that is not core property. The club does not have any non-core property.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF PACIFIC PALMS RECREATION CLUB LTD

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Pacific Palms Recreation Club Ltd. (the Company), which comprises the Statement of Financial Position as at 30 June 2019, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies, and the Directors' Declaration.

In our opinion, the accompanying financial report of Pacific Palms Recreation Club Ltd, is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2019 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 June 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF PACIFIC PALMS RECREATION CLUB LTD

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during our audit.

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF
PACIFIC PALMS RECREATION CLUB LTD**

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, We determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
