

Community Raffle Roster

If your group has not previously participated in our Community Raffles, it is simply an opportunity for representatives of your group to attend Club premises to sell raffle tickets to our members & guests to raise funds. Raffles should be drawn on the day/night, and meat trays (off season) and seafood trays (summer) are very popular!

Raffle slots are available at the following times:

- * Friday nights at 7:15pm (you can start selling tickets as soon as the regular Friday night raffle draw commences)
- * Saturday or Sunday afternoons (any time of your choosing)

Your group can nominate for only Friday nights, only Saturdays or Sundays, or both. You will be allocated slots based on your nominated preferences and slot availability. A new roster will be drawn up each 4 months.

If you are allocated a raffle slot which your group is not then able to use, could you please contact the Club using the contact details at the end of this letter so that we can allocate the slot to another group. Please note, in the interest of fairness to all community groups, any group that misses 3 raffles in any 4 month period without advising the Club beforehand will forfeit their right to be included in the next 4 month roster.

If your group would like to nominate for Community Raffles, please complete the attached Nomination Form. We look forward to hearing from you,
